Dear Parent/Carer

Re: Year 10 Results and Parents' Consultation Evening

Before the Christmas holidays, your son/daughter sat formal internal assessments in the core subjects - English, maths and science. On **Thursday 24 January 4:00pm – 6:00pm**, you are invited to attend a Year 10 Parents' Evening where you and your child can collect their recent assessment results. You will also have the opportunity to discuss these results and your child's progress in other subjects with their subject teachers.

Each subject teacher will explain which areas of knowledge, and skills, your child has mastered, and give guidance on areas for improvement. This will enable you to encourage your child at home and support them to achieve their full potential.

This is a vital time in your child's education and we would strongly encourage your attendance to Parents' Evening to discuss your child's progress.

Please complete the attached slip to confirm your attendance and return to your child's form tutor by **Friday 18 January**.

Thank you for your support and we look forward to meeting with you.

Yours faithfully

Emma Beaumont
